One reader fucks his  
wife while thinking  
of Aubrey's pussy.

## It's Not Really Cheating

Dear Virgin Territory,

I've been subscribing to your mag for a few months now, and I want to say it has really made my sex life better. Although I'm happily married for over 10 years now, my biggest weakness has always been cute teen girls. Even early in our marriage my wife would always catch my eyes following the perky tits and firm asses of younger girls. There was a time I even thought I might try to hit on one of them, but I knew they would just see me as a creep and my wife probably wouldn't have appreciated it either.

A buddy of mine told me about how he started reading your mag and even lent me one. It was the Aug. '11 issue with Aubrey on the cover. I had no idea how incredibly horny I would get because of your magazine. I must have cum to all the pictorials in that issue 10 times over. It gave me so much mental material that I began fucking my wife with a whole new kind of intensity. I could just bury my face in my wife's cunt and imagine tongue-fucking one of the sexy teens featured in *18eighteen*. My wife has no idea why I've been so horny these days and hopefully she never finds

out. I love her but I also love teen pussy and this is the best way for me to have both.—U.M.,  
Bloomington, Indiana

Dear U.M.,

We're happy to provide an outlet for all those who are in desperate need of teen pussy. Hope you'll keep reading!

## Busting a Nut for All the Brunettes

Dear Virgin Territory,

I've jerked off to all the gorgeous brunettes you featured in your April '13 issue! It's not that I don't like blondes, but right now I'm going through a brunette phase. My girlfriend (let's call her Lana) is a brunette and when I'm not fucking her, I like to stroke my cock to the other raven-haired hotties

you've got in *18eighteen*. Naidyne is my favorite from this issue. She's got such a sweet smile and appears so demure, yet she's taking off her clothes for us so obviously she's really horny. Plus I liked seeing the hair she's got up top from her pussy. She's a little meaty like my girlfriend, although she's much younger than Lana. If I could have a threesome with her and my girl, I'd be a happy man.

Morgan was my other favorite. I think the two best photos in your magazine this time were the ones on pages 74 and 75, of Morgan riding cowgirl and Morgan again with her adorable face

coated in a thick

layer of man-spray. She is especially beautiful when her lips, nose and cheeks have are all coated in creamy cum. Just writing this letter makes me want to jack off to her jizzy face again.—E.F., Salt Lake City, Utah

Dear E.F.,

doing more hardcore, check out her scene in Cotton Tail 2. Order it on page 9.

## Pump That Pussy

Dear Virgin Territory,

I'm responding to your survey about which kind of pussy I prefer. My favorite lips are pumped nice and plump, with a vacuum pussy pump shown on so many websites. For dedicated pussy admirers like myself, beautiful pumped lips show that the female wants to make herself sexually attractive to males, and what better way than fattened, full, highly sensi-

tive lips. Many types and sizes are out there. Let's start a new style-fad: the pumped-lips camel toe. It works even better if they are started real young. We need a special magazine contest for this.—Anonymous, via e-mail

Dear Anonymous,

Unfortunately the only things that pump pussies in our magazine is dick, but we'll keep this in mind!

## We Love Flatties

Dear Virgin Territory,

When you guys said this was the flattest issue ever on your cover, you really meant it! I've never been so turned on by any other issue. Out of the pictorials, my favorite flat teens were Kristine (of course) and Chloe. Chloe's pussy looks like it tastes like cotton candy. I'd love to stick my tongue in there. And reading that she likes older guys makes me want to fuck her even more. And you can't go wrong with Kristine. I just wish I could see her with a cock in her mouth or pussy.

The *Flat & Fucked 6* preview was really great, and I'm hoping I can buy that come payday. I came again and again to the pictures of Gigi, Ava and Elle in the *Flat Pack* special. All those girls have beautiful faces and perfect, little tits.—D.R., Boston, Massachusetts

## Strokin' to Sofia

Dear Virgin Territory,

Your April '13 issue features a girl I hadn't seen before: Sofia. She's possibly my new favorite model from your magazine. Her photo set started off hot from the get go. I love the picture of her on page 28, bottom right hand corner, where you can see part of her pussy peeking out from inside her

Sofia's hot snatch is virtually impossible for fans to resist.

white shorts. She has such a sweet, innocent face and then her twat is so pink that she's impossible to resist.

Her pink pussy looks like the perfect place for a hard cock to unload a gallon of cum. If she was up for it, I think she would be perfect for a hardcore set, just her and maybe three or four guys, all taking turns cumming inside her while she came on all of their cocks. She looks like she's ripe for an orgy! I love seeing wholesome girls like her taking on multiple cocks. You guys should that sometime if any of the girls are up for it.

Please let me know if I can see more of Sofia elsewhere, and please feature her again if possible. I've already cum to her pictures several times and I want new ones so I can always imag-

ine her fresh in my mind.—K.O., Jacksonville, Florida

Dear K.O.,

There's another Sofia layout in the May '09 issue. Order a copy on page 11!

## Fresh-Faced Teens

Dear Virgin Territory,

One of the reasons I love your magazine so much is because you frequently feature teen girls looking very natural, with little to no make-up, and wearing teen girl clothing. If I want an older looking girl or woman, I'll look at one of your other mags like *Voluptuous* or *Naughty Neighbors*. Teens should look like teens! Some good examples of very fresh-faced, natural-looking girls in the April '13 issue are Sofia, Charlie and Denisa. Denisa's wholesome, plain face really got me going. These girls, in their natural state, made me cum harder than any girl in any other mag in high heels and tons of make-up.

I hope you will continue with this trend. Another teen mag I've bought before seemed to present a lot of teen girls looking like sorority girls gone wild, with lots of make up and especially provocative clothing. I can enjoy that sometimes, but I really enjoy how you guys tend to have the girls wearing cotton, full-backed panties and looking especially inno-

cent. Can't wait for the next issue!—A.G., Roswell, New Mexico

Dear A.G.,

We're glad you appreciate our magazine's whole-some-yet-naughty teen theme. We know for many of our readers, keeping these girls looking as innocent as possible while showing off their cunnies is what makes them cum the hardest.

## Best Girlfriend Ever

Dear Virgin Territory,

I'm a new fan of your magazine, and possibly more surprising than that, I'm a new female fan of your magazine. I know that it's mostly for men, and I guess the same goes for a lot of porn these days, but I have to say it really turned me on.

See, I'm actually a teen girl myself (turned 19 last July), and I'm pretty open-minded. I've been with girls just like a lot of your models have, and I'm definitely not a virgin. I've even thought about posing for a mag.

I found your mag at my boyfriend's house one day while he was in the shower. He's kind of older (34) and although I knew he had to like teen girls since he was with me, I hadn't really thought about him being into teen girl porn mags. I have to say, although I was jealous at

## Hello, Dolly! What brings you to our mag?

"A friend of mine reads *18eighteen*, and one day he brought it out and asked me if I'd ever consider posing nude since I'd posed for his art classes before. I wasn't so sure at first, but now I think it'll be kinda hot if he ends up finding my pictorial while he's jacking off. It's exciting thinking about all the boners I'm causing!"

## How different was it posing for art class?

"It was harder work than this because I had to hold the poses for way longer. Sitting naked with all these eyes on me made me really wet though, and I was scared the students would notice my pussy glistening. I'd love to do it again sometime."

### **So you enjoy nudity. Ever consider becoming a nudist?**

"I think that could be a fun lifestyle to have. I like being watched, but I also like the freedom of nudity. It's not all the time that my pussy gets to breathe! But I'm not sure how well I'd do at a nudist colony. If some hot guy starts getting a boner, I wouldn't be able to resist helping him out with a little blow job."

It was just a charity car wash. Sure, it was being run by a group of horny-looking teenage cheerleaders, but who wouldn't throw a couple of bucks at a good cause, right? When Rick spots a flattie who reminds him of his first high school crush, though, there's more than just a cash tip he wants to share when...

# Jeannie Cums Clean

Written By Joe Monks • Illustrated By Otis Sweat

**R**ick shifted in his seat, as uncomfortable as he'd been since getting in line. Two cars ahead, a girl he'd pegged as Tabitha-Tabby to her friends—was bent over the bumper of a Ford F150, drying it with enough zeal to shake her ass like a go-go dancer. Another girl, Chloe, accidentally hosed down one of her fellow cheerleaders, soaking her to the skin. And, Rick noticed appreciatively, there was a lot of skin on display. Chloe had tits the size of plums, and through her wet t-shirt were nipples just as dark.

He'd been waiting to get his SUV washed for more than fifteen minutes, but didn't mind. Eight scantily-clad teenagers were strutting around in various stages of wetness, from slightly damp to covered in suds. Some wore flip-flops. Some were barefoot. Some had on half-shirts, others wore bathing suits. They all had one thing in common. They were hot as hell and the tens and twenties going into their plastic bucket attested to their customers' satisfaction. Rick didn't know what they were fundraising for, but today alone could've funded a trip to Europe for the whole squad.

The F150 pulled away and Rick slid into an open slot. Just thinking about open slots made his erection even more unbearable, but he tried to keep it in check as he rolled down his window and told a cutie with bangs and braces that he'd go for the full wash. She beamed, took his ten bucks and skipped around the front of his SUV, firm boobs jiggling as she went.

Rick hadn't cum prematurely since high school, but sitting there watching the girls chamois off the car next to him made him want to check the glove box for tissues. Maybe even paper towels. He had gym clothes in a bag, in the event he shot in his jeans, and was thinking about how much more comfortable the Nikes would be when he spotted one girl who, despite the free flow of hose spray, still seemed to be sweating. No wonder, he thought. She was working twice as hard as her friends. It only took a second to figure out why, as she came up out of a crouch and turned to wave the driver on.

She was five foot tall, tops, and barefoot, in short-shorts sporting the school colors and a transparent white tee which showed off her virtually nonexistent breasts. Despite her Kansas-like flatness, she didn't seem self-conscious about her underdeveloped boobs. Nor her lack of hips, and an ass that even wet cotton

SWEAT

shorts didn't have enough to cling to. Rick suddenly found it hard to swallow. He was pretty sure he was going to need to change after all...

Knuckles rapped against his window, startling him. He jumped, his bulge mashing up into the bottom of the steering wheel. He rolled his streaked window back down.

"Armor All your tires?" asked a sexy girl who couldn't have been much older than eighteen. Rick turned to look ahead. The object of his desire was standing by an empty space, holding up a bottle of car wax and looking at him hopefully.

Rick handed over a bill, not bothering to check it. Could've been a fifty, for all he cared. He rolled forward and stepped out of the car, adjusting himself quickly behind the door panel so his hard-on wasn't so obvious.

"Spare on the back, too?" the flattie asked, and Rick quickly answered, "Yes." Damn, he'd have to get some looser jeans the next time he decided to be charitable. His balls were throbbing. Talk about giving 'til it hurts...

Her name was Jeannie and Rick shot the shit with her while she vigorously Armor-Alled his tires. He felt good about being able to keep up his end of the small talk while staring at her backside, picturing her jacking him off with the same enthusiasm. The best was when she swung out the spare on the back and gave it the once-over. From this vantage point, he could see her whole profile—from the mosquito bumps to that taut tummy of hers, to her short, but well-tanned legs. Sudsy water squelched through her bare toes as she came around to examine her work, re-buffed a spot on the front driver's side, then gave him a confident smile.

"There you go," she announced with pride. "All done."

Rick thought about calling up a friend, taking the SUV out mudding, and returning, but settled for pulling out another twenty and handing it to her for the tip bucket. Her eyes widened in surprise.

"Change?" she asked. Rick shook his head and got in. If he didn't get off soon, he thought, he was going to rupture a blood vessel in his cock.

He swung into the lot behind the strip mall and parked in the shade, then spent ten minutes picking up steaks for the barbeque and a couple

of six packs. He snagged a bottle of A1 sauce, and deemed himself prepared for the weekend. What he wasn't prepared for was Jeannie, who was leaning against the SUV when he came back. She scanned his bag.

"Somebody's having a party," she commented, grinning at him.

"Just some buddies coming over," he shrugged, his cock once again springing to attention.

"Where's it going to be?" she asked, pushing off the door, her t-shirt pulled tight as it stuck to the hot metal. She peered over the top of the bag. It hid the fact that her hand was cupping his ever-growing

wrapped around his thick shaft, her fingers too short to fully encircle him. He kicked off his shorts and hauled her on top of him, his prick stabbing into her cleft right through her bottoms. Jeannie gasped, getting a good look at (and feel of) his erection.

His cock was oozing. Jeannie ran her thumb through it, smearing pre-lube across his tip. She worked his nuts with her free hand, coaxing more and more out of him, driving him crazy. Her whole palm was slick with splooge. As if

crotch bulge.

"Oh, is it a party in your pants?" she teased. "With the boys?" She gave his nuts a squeeze. Rick nearly soiled the inside of his shorts.

"I, uh, I wasn't expecting..." he stammered, her small hand now running up his shaft. His cock felt a lot better in the loose-fitting shorts, but now it was feeling even better...

"I have a half hour break," Jeannie confided. "I thought you might do something else with your meat."

He tossed in the grocery bag, yanked the back seat down and flat, and rolled in with her—a tangle of arms, legs and wet fabric. Little Jeannie smelled like car wax and soap and fruity shampoo, which turned him on something wicked.

Jeannie's hand was in his jockey's,

the handjob-foreplay wasn't enough, she licked the residue off her fingers, then ran her tongue over her lips like a cat that had just scored a bowl of milk.

"Looks like you're gonna have to wait to fuck me," she said, dragging her nails down his thighs. "I want to taste you first."

He watched as she opened wide and engulfed his cockhead in her warm, teen mouth. The shade wasn't helping much. It was getting steamy in the car, and the windows were fogging up. It occurred to him that they were going at it in plain sight—he didn't even have tinted windows. Anybody walking by could see Jeannie going down on him, sucking his cock. Sucking it really, really good,

## Meet Chloe: quintessential girl-next-door!

Some girls are so hot and yet still so down-to-earth that you can barely believe it. Feast your boner on this adorable flattie. Chloe is currently paying her way through college working as a barista, and you've probably checked out her firm, little ass while she makes your morning latte. Or maybe she was that hottie that gave you a flyer at the last music festival—she loves those. You also might've run into her at a football game, sporting a Vikings jersey and a pair of Daisy Dukes. If you were lucky enough to date her, you'd also find out that she's a lot of fun. Chloe says her ideal night would include mini golf, pizza and doing it doggie-style in the back seat.

**Tell us more about yourself, Chloe. What gets your pussy sopping wet?**

"I need to rub my little button before and while I fuck so I can get really slick and wet. I love my clit, and I love when guys play with it while they push their dicks deep in my pussy. The best is if we're going at it doggie-style 'cause then I have the most amount of room to play with myself while he fucks me. Sometimes I'll use my pink, sparkly vibrator, too. I cum real fast using it!"

### **Does sucking cock make you wet, Chloe?**

"My pussy gushes when I give head. Sucking cock, sucking anything, really. I came so hard just from sucking on this lollipop because it reminded me of having a fat dick in my mouth. I like when guys put their fingers in my mouth, too."

"You mean besides the fucking? [Laughs] A lot of people ask me why I'm doing this. I tell them I do whatever I want, and I don't let other people's stupid rules apply to me or my body or my life. I'd already had guys take pics and video of me before, and I like flirting and showing skin. So I figured, why not? I meet lots of different people and then I get to fuck them. Better than most jobs!"

"I guess it depends on my mood really. I can be more dominant if the mood strikes. Maybe that's why I like reverse cowgirl so much. Being on top, in control, and looking damn hot while doing it. I also love to get eaten out. It's got to be done right though, so I am definitely not passive when it comes to getting my pussy licked. Then again, other times I just want a guy to bonk me over the head, drag me to his man-cave and fuck me silly till neither of us can walk. Now that's what I'm talking about."

## JEANNIE CUMS CLEAN

*Continued from page 28*

at that. Giving head like she wanted him to shoot in her mouth and fill her throat with a hot stream of jizz.

He took a look out each rear window. No one seemed to be around. It was almost disappointing.

Jeannie gobbled as much shaft as she could, but gagged on her first effort at deep-throating him. Her head bobbed in his crotch, her hair falling around her cheeks while she blew him. Her top had dried some, but still clung to her itty bitty titties, and the miniature speed bumps that passed for her nips drew his hands to them like a moth to a streetlight. He didn't bother touching them through the cotton, instead stuffing his hand down the neck of her shirt and rubbing one hard, pink cap between his thumb and forefinger.

The contact made Jeannie shudder as the tip of her nose disappeared into his pubes. She jacked him with short strokes as she relinquished some of his length from her mouth, the flat of her hand beating out a steady rhythm on his ball sac.

Rick wanted to be inside her, to feel her velvety folds as he fucked her. But the oral was beyond intense. Jeannie was tickling his dickhole with her tongue one minute, swallowing his shaft to the root and lapping at his balls the next, then double-fisting him, her hands working every inch of his shaft while her lips ringed only the dribbling crown of his cockhead. It was a mad-denyingly erotic hummer, and filling Jeannie's mouth with cum had risen to the top of his priority list.

"So," she said, breaking from suckling his pole. "Do I get to taste it? 'Cuz I really want to swallow it."

Rick was loving the girl's dirty talk. "That's really what you want?" he asked. "For me to blow my thick load in your cute, little mouth?"

Jeannie put him back between her lips, so that his tip was bulging her cheek. She looked up and nodded.

"Hmmn. Not sure if that was a yes or a no," he said, pretending to be conflicted. "Maybe you should tell me with that pretty mouth of yours."

Jeannie's eyes flashed, and she smiled. She took her time drawing his

tip up to her soft, inviting lips again.

"I... want... to..." she said, alternating between speaking and licking the steady trickle of pre-cum from his dick. "Swallow... your... jizz."

She went down on him again, taking most of his shaft in one breathtaking gulp. With only her mouth controlling his rod, she took his right hand, and placed it on the back of her head. Then she closed her eyes, and inched down his length until there was nothing left to take.

His tip nuzzled the back of Jeannie's throat, her warm breath stirring his short hairs. She was giving it her all, strands of saliva dangling from her mouth as she furiously sucked him off. She grabbed hold of his balls, swollen with a boiling wad of love lava.

"Oh, Jeannie," he said by way of a warning. "Take it, baby, take it. I'm going to fucking blow my cum in your mouth. Get ready."

She didn't get a chance to reply. Semen erupted from his cock, spurt- ing into her mouth with enough force

**She held on tight, lips pressed to his knobby head, gulping air in between swallowing the copious flood of jizz.**

to nearly choke her. Rick couldn't hold back. His hips arched and before his dick could clear her mouth, he drove past her tonsils and fired off another torrent of sperm. Jeannie's mouth hung open, cum streaming down her chin as she struggled to keep up. She held on tight, lips pressed to his knobby head, gulping air in between swallowing the copious flood of jizz.

Rick thought he was empty—he had to be empty after that kind of orgasm—but it seemed that little Jeannie wasn't finished. She kept working the base of his shaft with her tongue, kept teasing his balls with her fingertips, until finally, he finished fucking her mouth with another satisfying spurt of baby batter.

Jeannie was hovering over him, cum dripping from her chin and cheek, when they heard the sound. A tap-tap-tapping on the SUV's roof.

"Uh-oh," Jeannie said, turning her

head to look out the window. Rick did likewise. Thunder clouds had moved in, and rain was coming down steadily. People who'd left their car windows open were coming out of the stores, caught by surprise by the storm. The parking lot was going to get busy real soon, Rick decided.

Jeannie wiped the nut butter from her face with the back of her hand. Rick pressed his thumbs hard into her girlish mosquito bumps.

"Come on," he said, letting go of her nipples and sitting up and grabbing his shorts. "Let's get out of here."

Jeannie looked at him, a bit suspicious, but pulled her shirt on and clambered over the seat. He guessed that she couldn't be too worried, considering that she'd just guzzled his jizz in a public parking lot.

He swung out onto the street, and they got a good look at Jeannie's schoolmates as they ran for cover. It was quite a sight, a gaggle of teen girls splashing through the lot, like a mobile, wet t-shirt contest. Rick couldn't help but notice how good

Miss Plums looked before turning down a side road and leaving the strip mall behind.

He pulled into Crestview Park, a woodsy kickoff point for hikers and joggers with numerous trails. He found a spot at the very fringe of the cutout and killed the engine. There were plenty of hikers and park-goers returning to their cars and bikes, but they were all a good distance away.

"Nice," Jeannie said, looking at Rick with mock disapproval. "Come here often, do you?"

He laughed, pulling her lithe, cheerleader body onto his lap.

"Not since I was in college," he admitted, pulling off her shirt and planting his mouth on her miniscule right breast. Jeannie cooed with delight as he swabbed her nips, first one, then the other, then back again. He worked his hands up into the leg holes of her shorts, not terribly shocked to find she wasn't wearing any bloomers. He could feel her slimy wetness on his fingertips, the thin band of hair ringing her glossy folds.

"Not a fan of panties, huh?" Rick asked, running his middle finger along the inside of one puffy lip. Jeannie sighed and parted her legs to

"It felt good and only hurt a little bit, but in a really great way. He started by eating out my pussy and asshole for a while, and then he used a finger, and then two and so on, pressing each digit against my little butt hole until it finally relaxed and let him in. Then it was time for his cock."

### **Did you cum while he fucked your asshole?**

"I came before he even started fucking me! The feeling of being stretched wide by his cock as it slid inside my virgin ass got me real wet. I rubbed my pussy juice on my clit while he kept pushing into me and before he was all the way in, I came hard, shaking and all. Afterwards, I came two more times while he drilled deep into my asshole."

first, it really turned me on. In fact, I wound up rubbing my clit and cumming hard while looking at the pictorial of Alexis in your April '13 before my guy finished showering.

When he came to the bedroom, I had the magazine open to Alexis' pictorial. He looked down at the magazine first and then at me and looked like he was trying to apologize, but then I went over to him, took off his towel and started sucking his cock. It was so hard and the head was shiny with pre-cum. I loved it!

I had him turn to his favorite girl (Chloe) and told him to jack off to her so I could watch and rub my clit at the same time. Afterward, we were both ready to go and the sex was fucking amazing! We were both so full of sexual energy we fucked the shit out of each other. I never knew we could both get so turned on!

I want to tell any girl that finds her man's copy of *18* that before she gets jealous, she should try this out instead. I like watching my guy get turned on and even doing some of the same poses the other girls do in the magazine. Can't wait for the next fuckathon that comes from your next issue!—E.B., Shreveport, Louisiana

Dear E.B.,

What a great response to discovering your guy's porn stash. He's a lucky man! Let's hope more ladies follow suit.

## No Hair For Him

Dear Virgin Territory,

I am writing in with my response to the question, "Which kind of pussy do you like more?" that was asked in the Feb. '13 issue of *18* magazine. My answer to this wonderful question is that I really like bald pussies with tiny lips and would prefer to only see this kind of pussy in *18* magazine. Girls with hairy pussies and protruding labia are meant for other magazines, not this one. Thank you very much for raising this question, as it was a very good one.—M.F., Camp Hill, Pennsylvania

Dear M.F.,

Thanks for giving us your input! We

like bald pussies with cute, little lips, too! But we still like to get in some big, juicy labia for variety. Our *18* subscribers like all kinds of pussies.

## Show Him the Pink

Dear Virgin Territory,

In response to your request for feedback in the Feb '13, issue, here are my views. My favourite pose is where the model holds her vagina open as wide as possible, ideally with four fingers, showing the pink folds and as much internal detail as possible, with eye contact. I particularly like this pose in doggie-style where the girl brings her hands around her buttocks to achieve the spread. I like it even more if the girl is bent right over with her face resting on a pil-

low, bed or whatever. These are the poses that make me buy the magazine regularly, but if there were more of these poses, I would subscribe so that I never miss any future issues.

Apologies for being so explicit. I thought it best to be as honest as possible. The magazine is great—a well done job and thanks to you all!—T.S., Dublin, Ireland

Dear T.S.,

Thanks for your feedback. We hope this close-up pic of Sydney's pussy entices you just enough to subscribe (which can be easily done at [18magazine.com](http://18magazine.com))!

**Hey Risa, you look good enough to eat. Enjoy having your pussy licked?**

"I love it! Having a guy go down between my legs, licking up my girl-honey always makes my toes curl and my eyes roll back. It's like ecstasy. My favorite thing is to have him kiss me right after, when his lips and chin are still slick with my cunny juice. I don't mean to sound conceited, but I think my pussy is absolutely fucking delicious. And I've gotten to taste quite a few pussies!"

## So you like being with girls and with guys?

"Yeah, but both at the same time is my favorite, although I've only gotten to do that a couple of times. It's the best of both worlds. I'm bisexual and there's just something about being with another girl that turns me on so much. Girls' bodies are just so much smoother and softer. Just caressing and being caressed by another girl gets me horny. I've even actually cum just from making out with a girl before!"

## How often are you fucking these days?

"Usually about three to four times per day. It sounds like a lot, but my libido is out of hand lately! It's hard for me to find anyone that can keep up! Luckily my fuck buddies don't mind if I fuck other people so I have enough partners to keep my pussy happy!"

### **She wants you to notice her pussy...**

Face it, there's one major reason why a girl would wear a pair of sheer, mesh red undies. These sexy panties are wrapped tightly around Emily's ass and pussy for one reason alone...to get your cock hard enough to cum to her pics again and again.

### **What kinds of guys get to see your sexy red panties?**

"The tall, dark and handsome kind. [Laughs] Actually, if I meet a really confident guy who's at least somewhat handsome, I will definitely talk to him. If I like him enough, I might ask him if I can go back home with him so he can see me in and out of my panties. I don't always wait for him to make the first move. If I see someone I like, I go after him. Oh, and older guys are a plus!"

### **Can you tell us about the last time you fucked an older guy?**

"Yeah, it was actually a few days ago. I met him while I was doing some homework at a coffee shop near my house. He came by and started asking me about what I was doing. We got to talking and he started telling me how pretty he thought I was and asking if I would like to take a walk with him. He was really sexy, with gray streaks in his hair and one hell of a cock. He knew exactly how to hit my g-spot, too. I was yelling so loud the neighbors complained. I don't think I've ever cum that much before!"

give him better access.

"You mean these?" she asked coyly, reaching into her pocket and pulling out a balled up pair of yellow undies with a flower pattern. She shook them open and held them up to his nose.

"Had to take them off, they were practically glued to me."

Rick could tell. They stank of pussy juice and were as transparent as her t-shirt. He took a deep breath, inhaling her hormonally-charged scent. She ate it up, rubbing the crotch panel in his face so he could enjoy it more.

"My turn," he announced, pushing her onto her back and hauling her right ankle up over the steering wheel, the left over the seatback. He stripped off her shorts and dove in, giving her snatch a well-earned, much-deserved tongue-massage.

Jeannie didn't take long to cum, which Rick liked because he had no intention of stopping before he'd eaten his fill. Her first orgasm wasn't much. The little, "Uh-uh-uh-oh-oh-ohhh," was merely a precursor. Her second climax followed less than a minute later, and Rick knew by the way she shook the SUV's headrest that he was really getting her engine going. He got the feeling Jeannie would've been okay if he'd stopped after three, but he hadn't been going down on her for more than seven or eight minutes before that one sent shudders through her, and he wanted to make the most of whatever time they still had left.

Close to ten minutes into his muff-dive, Jeannie had cum five times, and Rick's front seat was smeared with girl grease. Jeannie had her head pinned back against the door, and had practically kicked out his driver's side window with the fury of her most recent and most intense orgasm.

"No more!" she cried, but then she moaned, long and low, and whimpered like a girl getting righteously tongue-fucked for the first time. Who knew? Thought Rick. Maybe she was. But he wasn't deluding himself—the girl sure wasn't a virgin. She pressed his face deep between those silky lips of hers, and he nibbled her clit before sucking on her button, working her

# JEAN

*Tinsel Teeth*

## Jean loves letting people see her tight, teen pussy...

Horny brace-face Jean is back at *18eighteen*, showing us her teeny-but-tantalizing titties and mouthwatering cunny. "I get really turned on when I come here and show you guys my body. I normally masturbate maybe once every other day, but on days I shoot with you, I have to touch myself four or five times just in that day!"

**Can you tell us what you fantasize about?**

“Well, I have one where I meet a really hot guy and we hit it off. Then he takes me back to a hotel room where he’s got a whole set up: music, lighting, rope. He ties me up, blindfolds me and feels me up from head to toe, teasing me with his cock until I’m dripping pussy juice on the bed. He eats me out until I cum in his mouth, and then he fucks me doggie-style until I cum all over his dick five or six times. Finally, he gags me with his dick and shoots his cum down my throat.”

### **That's hot! Have you had any real experiences that were that kinky?**

"Actually, yeah. I was at my ex's house, trying to pick up some of my old things, including our old sex box that had my vibrator in it. We got to talking, one thing led to another, and pretty soon he had the vibrator on my clit and wouldn't move it. It made me cum so hard! Then I handcuffed his hands behind his back and bounced on his dick until he shot his cum right up into my pussy."

Continued from page 78

up to the big finish.

Jeannie was bucking against his face, humping his mouth like there was no tomorrow. She dug her fingers into his scalp, groaning louder and louder as he ran his tongue all over her pussy lips. Rick's cheeks and chin were glistening with cunt oil as he moved in for the kill. Jeannie liked the side-to-side tongue action more than the up and down, and Rick had filed that little factoid away. As he sensed her nearing a seventh cum, he changed techniques, Jeannie's body going stiff as a train trestle.

"Yeah! Th-there..." she shrieked, her voice rising the closer she got. "D-don't stop. There! Just... like that..."

Rick slammed his middle and index fingers into her tunnel just as she came. Jeannie howled like a night-cat, her hips pushing Rick almost back into a sitting position as her cunny gushed teen crème into his open, eager mouth.

She wasn't done. Wasn't even close, in fact. She was still straddling orgasms when Rick slid beneath her in the passenger seat, pulled her onto his lap, and entered her from behind.

The angle wasn't the best, but Rick drove his cock deep inside her, adjusting the seat with his free hand. His left arm was wrapped around Jeannie's waist, trying to keep her from banging into the windshield. She was totally out of control. Somebody walking by might have thought she was having some sort of fit, assuming they didn't notice she was topless, of course. Rick wondered if she'd set off the air bags if she hit the dash. He half-believed that she just might.

He got the seat close to upright. Jeannie's hair pressed into the roof, leaving damp rings in the headliner. He thrust his man-meat into her gash, thunder cracking loudly as the storm passed on over them.

Rick caught a glimpse of Jeannie's reflection in the windshield and was transported back in time, back to when he'd been a high schooler and borrowed—well, stolen—his dad's pick-up to take Stacey Parmanter to park out at Rock Lake. Stacy was a cheerleader, too, but didn't get much of any attention from the other guys in class.

They were all about big tits and full lips, or a thick, round ass. Stacy had none of those things. The guys even took to calling her Stacy Carpenter, as in 'carpenter's dream'—flat as a board and always ready to screw.

But even though she was ready, nobody had screwed her. That is, not until Rick came along. Stacy hadn't been blessed with big boobs or the kind of lips that made you hard in class, fantasizing about what her blowjobs would be like. But Stacy had plenty of gifts, and she shared them all with Rick during senior year.

Now, eyeing Jeannie's dark, swollen nipples, Rick was reminded of why he loved flat girls so much. Why he had a thing for young chicks with no ass to speak of, but who looked willing enough... if only some guy would give her a chance.

Rick was sure glad he'd given Jeannie a chance. His inner child—a small town kid who'd grown up horny 24/7—had topped off his balls during Jeannie's rush of orgasms, and now he was getting close to cumming himself. But he wasn't quite there. Not just yet. Just a little more to do...

He flicked his middle finger down Jeannie's ass crack, and for a moment, wasn't even sure she noticed what he'd done. He did it again, this time more insistently, and she gripped the dashboard with both hands.

"W-what are you doing?!" she demanded. Rick wasn't sure if he'd gone too far. He wasn't going to last much longer, though, and risked doing it again. Jeannie's mouth dropped open just like it had when his jizz had been dripping out of it.

"That is so fucking kinky!" she exclaimed, clearly digging it. He left his finger there, right against the puckered rim of her asshole, and went back to driving his pole into her pussy. Stacy had loved that, too. He would bend her over or have her up on his lap and play with her asshole while banging her. She was never sure if he was going to put it inside or just tickle her asshole. Drove her wild.

Rick had taken the better part of senior year to get that far with Stacy. He decided to stick with just teasing for now. There was always the possibility he'd get the chance to do things differently if Jeannie wanted to hook up with him again. For now, though, Rick had other things to worry about.

Like, where was he going to blow his load, considering how close he was coming to, well, cumming.

As it turned out, it wasn't his choice. Jeannie, who was already in the throes of another climax, pressed her soles into the floorboard and grabbed his balls, pinning him in place, his rock-hard cock buried up her canal to the root.

"Now!" was all she had to say. More accurately, scream. When you got her going, Jeannie was a screamer all right, and she screamed her head off as Rick pumped ballfuls of man milk into her sweet, pink crease.

She drained him dry, using nothing but her strong cunt muscles. Rick was pretty sure that if he could've put a dipstick up his cock, it would have registered only: AIR.

It was 3:15 p.m. and the sun was just starting to peek out from behind the clouds by the time they were dressed and Rick was hustling her back to the car wash. She'd been gone forty-five minutes. Not a big deal, she told him, giving his thigh a rub.

"So, what are you doing after the car wash?" he asked, trying to sound blasé about it. Jeannie tilted her head to look at him. Nope, she wasn't buying blasé whatsoever.

"Me and Chloe are going to the movies," she said. "Want to join us? It'll be lots of fun!"

"Chloe? Which one's Chloe?" he asked, scanning his memory banks. He wasn't sure after what they'd been up to if he could remember his own name, much less one of her friends. Jeannie snorted, unconvinced.

"Riiight. Like you didn't notice," she scoffed, giggling. Then, he had it.

"Plums," he blurted, the filter between brain and mouth clearly out of order for the moment. But Jeannie only laughed out loud.

"That's what Tiffany calls her!" she squealed, laughing even harder. She put her hand between his legs and massaged his package.

Jeannie and Chloe. Stacy had talked more than a few times about getting one of her girlfriends to join them one night, but it had never happened. He checked Jeannie out in the rearview. Sure enough, her nipples were hard as freshly picked cherries.

The movies, he thought, accompanied by two hot teenagers. That sounded pretty damned good... 18

"I spent an afternoon soaking my undies in girl-cum, and left them on the bathroom sink. When he passed by the bathroom and saw them, he had them up to his face in seconds. When I told him they were mine, he knew I was dying to suck and ride his cock."

## **Had you been wanting to fuck him for a while now?**

"That's what I wanted all along! I'd touched myself lots of times, fantasizing about him taking me in his arms and fucking me really passionately. I like when guys go slow and deep instead of hard and fast. I sat on his face for about half an hour while he tongue fucked my horny cunny. He knew just how I like to be eaten out, too. He made me cum twice before even putting his dick in my slit. He told me my pussy is tighter and tastes even sweeter than my sister's. The whole time we fucked, he kept my panties stuffed in my mouth and stared into my eyes. It was insanely kinky. No one's ever turned me on like that!"
